# VELUX flat-roof smoke ventilation window CSP

## Glazing 73FQV

10 Year Guarantee

0°-15°

The flat-roof smoke ventilation window CSP will automatically open in case of fire and meets all relevant EU legislative requirements. The window can be opened for fresh air when ventilation is needed. A burglar-proof construction provides additional security and a laminated inner pane prevents glass from splintering in the event of breakage.

- Automatically opens in case of fire in accordance with EU legislative requirements.
- Easily open your VELUX electric flat-roof window for fast access to fresh, outside air.
- Heavy-duty scissor opening mechanism is designed for many years of reliable operation.
- Improve your overall comfort with the low-energy double-glazed glazing with two energy coatings.
- Enjoy the security of our top-rated security glazing, which provides class 2 burglary resistance.
- Tilted interior frame design increases the amount of daylight that enters your room.
- Automatically opens in case of fire, in accordance with EU legislation, and can also be opened via a ventilation switch to let in fresh air.
