VELUX flat-roof exit window CXP

Glazing 73FQV

10 Year Guarantee

0°-15°

The manually operated flat-roof exit window CXP opens extra wide to provide easy access to the roof. A laminated inner pane prevents glass from splintering in the event of breakage. Available with an acrylic and polycarbonate dome. The flat-roof exit window meets all relevant EU legislative requirements.

- Extra-large opening lets you enjoy easy access to the roof and an additional fire escape.
- Improve your overall comfort with the low-energy double-glazed glazing with two energy coatings.
- Tilted interior frame design increases the amount of daylight that enters your room.
- The maintenance-free white PVC base unit reflects more natural light to brighten your room.
- Designed to minimise condensation, our flat-roof windows maintain clear views to the outside.
- Repairs can be performed without replacing the entire window thanks to the modular design.
